Dr. Rick Stedman

Review: Faith is taking one’s stand on real evidence that God exists and in Christ our future will be vastly better! (11:1-3)

Faith Trusts:

1. That worshipping God is the first thing to get right. (4)

- Others will feel condemned when we worship God, which sometimes causes them to attack or hurt us.
- I don’t care! I will take my stand by worshipping God!

2. That walking with God is the second thing to get right. (5)

- Enoch spent the first 65 years of his life walking without God.
- I’m not going to wait! I will start walking with God today!

3. That obeying God is the smartest way to live right. (7)

- What God asked Noah was irrational by logical standards.
- What God asked Noah was irresponsible by social standards.
- So who will I trust and obey?
 - My own smarts and logical reasoning?
 - My culture’s smarts and social pressures?
 - God’s smarts and social wisdom?
- I’m won’t wait! I’ll start trusting and obeying God today!
