Dr. Rick Stedman

Review: Faith is taking one’s stand on real evidence that God exists and in Christ our future will be vastly better! (11:1-3)

Faith Obeys:

1. Why? Because Faith grasps that God is smarter than I am. (7)

- What God asked Noah was irrational by logical standards.

2. Why? Because Faith grasps that God is more just than I am. (7)

- What God asked Noah was irresponsible by social standards.

3. So who will I trust and obey? (7)

- My own smarts and logical reasoning?
(no, because my own smarts and logic are very imperfect)

- My culture’s smarts and social pressures?
(no, because my own culture’s morals are very imperfect)

- God’s smarts and social wisdom?
(God’s wisdom and morality are always perfect)

→ I won’t wait! I’ll start obeying God today!

4. Plus, I will trust and obey because...

“In holy fear Noah built an ark to save his family.” (7)
